This Amendment is to correct MEMO contribution data that was incorrectly reported for Matthew and Natalie Bernstien. Original filing disclosed MEMO Entries for a State Party Victory Fund transfer. However, the information provided to the Committee by the Democratic National Committee was incorrect. The original contribution to the Bernstein's was returned to them by the Democratic National Committee, during the reporting period. Payments for 'Payroll,' 'Payroll Taxes' and 'Health Insurance' on Schedule H4 are for those individuals who did not spend more than 25 of their time during the period on activity in connection with a federal election. Payments for 'Payroll' and 'Payroll Taxes' reported on Schedule B supporting Line 21(b) are for paid canvassers that did not spend any of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal Election. The prices paid for voter file purchases are established using comparable prices charged by other state party committees throughout the country on a per record cost. The exact price paid to the Committee by each entity is determined by multiplying the per record cost by the number of records provided in the file purchased.

# SCHEDULE H2 (FEC Form 3X) ALLOCATION RATIOS

| PAGE 90 OF | 118 |
|------------|-----|
|------------|-----|

NAME OF COMMITTEE (In Full)
Georgia Federal Elections Committee

### RATIOS FOR ALLOCABLE FUNDRAISING EVENTS AND DIRECT CANDIDATE SUPPORT ACTIVITIES APPEARING ON THIS REPORT.

Methods of allocation:

- I. FUNDRAISING activities are allocated using the "funds received method" where the federal proportion of expenses must equal the federal proportion of monies raised.
- II. Shared **DIRECT CANDIDATE SUPPORT** activities are allocated according to benefit expected to be derived, where the federal proportion of disbursements is based on the benefit derived by federal candidates from the activity. **For PACs Only**: Direct candidate support includes public communications or voter drives that refer to both federal and nonfederal candidates, regardless of whether there is a reference to a political party. Such expenses are allocated using a time/space method.
